Cent on a Mission

A Revised Mission for the College

As we prepare you to embark on this journey of memories, we would like to share with you the revised mission statement of the college. Strategic planning committees have been working for some time investigating the campus culture and developing a plan for the college to take us into the next millennium. Along with this plan comes a revised mission for the college.

We felt it was important to include this work in our book because it displays the efforts of many individuals. We would also like to share with you the vision statement that has been adopted as part of the Strategic Plan. This information comes to you from the 1999 Institutional Self Study and we hope throughout this book we can portray to you that Elizabethtown really has been *Cent on a Mission*.

- Jennifer Lee and Missy Hockensmith

Vision Statement

...The Elizabethtown learning community will be a place of intellectual adventure, where boundaries are erased and the excitement of discovering new ideas occupies center stage. At Elizabethtown, learning occurs in and outside the classroom. Faculty are actively engaged in scholarly activity because the College values intellectual curiosity and this important work informs and enhances teaching.

Mission Statement

Elizabethtown College is a community of learners committed to independent thought and personal integrity as the foundations of a life of learning. Our mission is to nurture sound intellectual judgment, keen moral sensitivity, and an appreciation for beauty in the world. High standards of leadership and scholarship are the foundations of our distinctive blend of liberal arts and professional studies. In keeping with the heritage of the Church of the Brethren, the college affirms the values of peace, non-violence, human dignity and social justice, and seeks to make those values manifest in the global community. "Educate for Service" expresses our belief that the pursuit of knowledge is most noble when used to benefit others. (4)

"What will be next?!"

Elizabethtown College is known by students and the community for its vast array of activities available to everyone. From the Homecoming and the Midway to the Hot-air balloon rides during the beginning of the Centennial celebration, this year was no different. The mission of students and community members alike has not changed- to enjoy themselves and have a good time.

Another successful Homecoming parade allowed students to display their many talents.

The Freshman Walk is a great time for upperclassmen to teach incoming Freshmen about humiliation. Here, they revert back to their childhood by playing "Ring around the Rosie."

Freshmen become acquainted with President Long and his wife, Betty. This event helps students to feel a sense of community with other students and to get to know the administration better.

Lovin' the Challenge

Where can you get lost in space, burn off a foot in the acid river, "lose that lovin' feeling," and hunt for the Eagle? Freshmen Orientation of course! With a warm welcome, the Class of 2002 was graced with the style of the school and a weekend packed with excitement.

With pathways, the candlelight Induction Ceremony, the one mile Freshman Walk of "Terror," and various peer group gatherings,

meeting new people was not a challenge. Peer counselors worked their hardest to provide answers about college life and to curb any feelings of homesickness.

After the humiliation of the walk and the glamor of the candlelight service, the Class of 2002 is officially welcomed to their new home.

Outfitted for the Future

The college kicked off the new academic year with the annual Convocation ceremony, held in Leffler Chapel on Sunday, August 30. Fully outfitted in caps and gowns, trustees, faculty members, and the 1998-99 college scholars (juniors and seniors with GPAs of 3.75 or higher) processed to the music of the Philadelphia Brass. College Chaplain Joan Austin opened the ceremony with the invocation, which was followed by a welcome from President Theodore Long. Louise Baugher Black of the Class of 1946 took a few moments to remember

President Emeritus, Morely J. Mays. The presentation continued with Provost Ronald McAllister's recognition of the newly tenured and promoted faculty members and his tribute to the college scholars. President Long again took the floor, extending an invitation to the audience to both remember the past and look to the future, as he spoke of 'Renewing a Heritage and Transforming a College.'

The opening weekend came to a relaxing close with an all campus picnic along the peaceful waters of Lake Placida.

Lending a Hand

With high hopes and good intentions, Elizabethtown students aided in yet another year of contributing to both the college and the surrounding community.

On October 10, over 175 students volunteered their Saturday to go "Into the Streets" and help with various projects. Coordinated by the Learning Center, there were over 50 sites in the community where student volunteers were needed. Some of these student-planned projects included raking leaves, cleaning parks, and providing activities for elementary school students.

Jessica Smith, who helped make checkerboards at a preschool, said, "I had a lot of fun doing 'Into the Streets.' It made me feel like I helped the community."

The annual 'Into the Streets' project kicked off on Friday with a picnic and rally to get the volunteers motivated for the next day's events. "The rally was a nice touch, because it got us even more excited to go out and volunteer," said Lori Skibiell.

Reuniting Old Friends

The weekend of October 17th and 18th gave Elizabethtown alumni the chance to come back and visit with the students, faculty and staff. Homecoming was an activity-packed weekend for everyone who joined in the festivities.

"It's nice to see all your friends who have graduated during homecoming weekend," said senior Mike Carchidi.

Elizabethtown turned into Broadway for a weekend with this year's theme being Broadway shows. Friday kicked-off Homecoming when many students spent their night constructing floats for the parade held Saturday. This year, the

prize for best float went to the Occupational Therapy club for its rendition of "Cats."

After the parade, the Midway was the place to be for more fun-filled activities.

This year participants had a variety of things to do and see at the many booths. Activities on the midway included palm reading, caricature drawings, and face painting.

At halftime of the men's soccer game, Scott Tucci and Nikki Schuessler were crowned king and queen of the homecoming court.

Cautious not to get too dizzy, a participant in the Goofy Games runs in circles as part of a relay race. Students participated in a variety of unusual games.

Rubber Chicken Frenzy

For the first time, the college held a fall carnival in celebration of the new school year. The carnival provided a great stress reliever and a fun time on Friday night. The games included a miniature golf challenge, bean bag toss, flipping a rubber chicken in a bucket with a spatula, and fishing for bottles. Students were also able to have their

faces painted. There were many prizes given out, such as stuffed animals and inflatable objects.

Holidays and Celebrations

On November 17, 1998, friends gathered in Myer Dining Hall to celebrate Thanksgiving. The faculty of Elizabethtown College helped the Dining Hall staff to serve the feast.

Students were served a traditional Thanksgiving meal with all the trimmings. They indulged in turkey, stuffing, veggies and of course apple and pumpkin pie.

The cafeteria was decorated with fall colors and themes which gave students a feeling of family within the college. Much like a Thanksgiving dinner at home, the head of the table carved and served the turkey.

Providing the students with this special holiday celebration gives them an opportunity to give thanks with friends and promote a sense of community.

*Celebrating
One
Another*

Another way our community celebrates with each other is through the International Fest. Many students gather together to celebrate and be educated about different cultures and customs.

Both of these celebrations allow students to learn more about themselves and about others. -Jennifer

Heisler

Students and faculty are never strangers out of the classroom. The International Fest was a great way to bring students and teachers together outside of the classroom.

A tradition at Elizabethtown College is for one student to carve and serve their table the turkey. This is a very popular job at this special dinner.

President Long and his wife Betty participated in serving students the very delicious dinner. Students are always guaranteed service with a smile!

A Night To Remember

Amist the warm sun of the beautiful April afternoon, Elizabethtown students traveled down Route 283 to the Holiday Inn, site of the 1999 Junior-Senior formal dance. Everyone was ready to have a wonderful evening.

Pictures with friends and dates began the evening before entering the beautifully decorated ballroom. As everyone made their way downstairs to the ballroom, everyone enjoyed seeing how beautiful and handsome everyone looked in their outfits. Gold stars and picture frames decorated the

tables and were the gifts of the evening. While dinner and desert was served to the tables, students talked about what the night had in store, how much fun they have had already, or the usual of making plans for after dinner. As usual, the food was delicious and enjoyed by all.

Music and karaoke followed after dinner. Students and guests danced the night away enjoying perhaps their last Junior/Senior at Elizabethtown.

Blast from the Past

T.G.I.S. weekend is one full of celebration and fun. We celebrate the beginning of a beautiful spring season, friendships, the end of another stressful semester, and for some the soon approaching end of their E-town college experience. TGIS 1999, Blast from the Past, kicked off Thursday night with hypnotist Michael Anthony. Some students had the opportunity to be overcome by suggestion while the rest were consumed by laughter watching students dance with brooms, strip off clothing because they thought it was so hot, sing like an opera singer and other humorous antics.

The fun continued on Friday night with the Violent Femmes concert. Students packed into the Thompson Gym to listen, dance and be a part of another E-town tradition. Saturday the festivities of the day were brightened by the sunny weather. Brinser-Ober field was filled with booths, T-shirt tie dying, jousting and the anticipated Battle of the Airbands. Students lip sang to a variety of songs adding dance and humor in their own individual way.

T.G.I.S. Weekend

This brought laughter and viewing pleasure to all those who watched. Saturday afternoon the traditional picnic brought students together with wonderful food from the caf and conversations about the fun experienced on campus and the fun that was yet to come. Many seniors gathered at the quads for one of their last times together.

Saturday night the laughter echoed through the campus from the comedian in Hershey Hall. This changed to students dancing the night away at the video dance. The night activities came to an end around 3 am. As students went home, the weekend festivities were stored away as great memories shared with friends at E-town.

Sunday friends reminisced about what each had done as the weekend of celebration came to a close. With reality that Monday classes were soon approaching, E-town students added another chapter to their book of memories of college that will be treasured forever.

-Shelly Chaney

Jousting was just one of the many activities students could participate in at the Midway Saturday afternoon. These friends seem to be enjoying the challenge.

Many students joined in the festivities of tie dying their TGIS t-shirts.

Security was around every corner Friday night during the Violent Femmes concert. Extra precautions were taken to assure everyone's safety.

Again this year the Battle of the Air Bands entertained all in attendance. The third place act "Pretty Fly for a White Guy" is caught here in their 'act'.

Spring Play

In the Spring of 1999 the Elizabethtown College Department of Fine and Performing Arts put on a production of "The Children's Hour" by Lillian Helman. This controversial play took place around the 1930s in a boarding school for girls, run by two best friends, Martha Dobie and Karen Wrigth, played by sophomores Victor Brewer and Jennifer Kalweit respectively. Their lives are turned upside down when a bad seed in the school, Mary Tilord, played by Leanna Whetstone, tells a lie about the women. When Mary's grandmother, Mrs. Tilford, played by junior Sarah Cropley, hears the nasty lie, she immediately calls the other mothers, and by the end of that night, all the girls are pulled out of school. Martha and Karen try to clear their names with Mrs. Tilford, but end up losing the school, the respect of the town, and Karen loses her fiance, Joseph Cardin, played by sophomore Justin Covington. Mrs. Tilford learns that Mary had lied about the rumor, and tries to reconcile with the two women, only it is too late, for Martha had already committed suicide.

Some other names of students performing in the show included seniors Susan Walton as Lily Mortar and Patricia Brankowitz as Rosalie Wells; sophomore Coleen Long as Peggy; and freshman Cory Grissinger as Evelyn.

Centennial

*The start of the
Celebration*

Weekend

Isn't it amazing what a hundred years can do? In 1899, the ground upon which Elizabethtown College now stands was a swampy field, lined with trees. The roadways were paths just wide enough for horse and buggies to pass on. There were almost no buildings to be seen. Look at us now, 100 years later.

Elizabethtown College celebrated its Centennial Kickoff Celebration in April of 1999 in style. It all began Saturday morning with the Elizabethtown College Centennial Parade. Included in the parade were reunion classes, the Elizabethtown Area High School Marching Band, Antique cars and trucks, faculty of the college, the Elizabethtown College Jazz Band, clowns, Cub Scouts and the Dixieland Express.

Everyone then returned to campus to enjoy in the festivities of the Turn-Of-The-Century Campus Festival, which included a delicious Centennial Luncheon. The festival included such attractions as hot-air balloon rides, campus tours, a performance of "The Children's Hour," Phalanx and many other demonstrations and performances. Everyone enjoyed the good company and great fun as the College kicked off its biggest year ever.

The Centennial Ball concluded the initial celebrations of the weekend. Faculty, students and community members joined to display beautiful gowns and costumes and to enjoy the evening together. The celebrations will continue through 1999 and will conclude with the graduation of the class of 2000 in May.

Beautifully decorated tables display the variety of food available for everyone at the Centennial Luncheon.

Seniors

"Educate for Service"

The 1999 Senior class is one that left an impression on all who came in contact with them. From the first day of orientation to the final days as seniors, these students proved their dedication and hard work to all who knew them. This Centennial class set themselves apart from others with their strong will and determination to strive to attain any goal they set for themselves. As the year closes, let us honor our graduating seniors and congratulate them on all of the hard work that has gotten them this far.

Senior Week

A Time to Relax and Enjoy Good Friends

The week after finals and before graduation, known to all as Senior Week, is a time for seniors to spend the last few days with their friends and classmates before everyone takes the next step in their lives. Many seniors found their way to Myrtle Beach or a nearby getaway to celebrate these last few days as college students. Beginning Thursday, festivities began at the college with a dinner at the President's House to kick off the celebration. This was followed by a social at T.J. Rockwell's Thursday night.

Seniors had a bright and early start

Friday with morning graduation practice. Following practice, seniors were treated to a picnic at the Quad Commons and were joined by faculty and staff, who shared the exciting time with them. Friday night many seniors found their way to "WOGS" and were able to reunite with recent alumni who returned for the excitement of commencement weekend. Overall, senior week proved to be a relaxing and enjoyable time for all.

Graduation

Heading into a new phase of life

It was a sunny May morning and excitement was in the air. Seniors gathered to help one another straighten their caps and make sure their hoods were on correctly. It was time for what this Centennial class had been waiting for.

As the seniors processed to commencement, they were cheered and congratulated by professors and administrators. They took a final walk through campus as an Elizabethtown student and marched their way through a barrage of cameras and very proud parents, family and friends. Commencement speaker, Connie A. Morella, spoke to the class about the world and the changes it is going through that they would be facing in just a few short weeks. She reminded the stu-

dents to make their mark on the world and always remember to carry out the motto of Elizabethtown College, "Educate for Service."

The graduates were also reminded to never be silent. Senior Class President Dylan Gadino addressed the class and reminded them of the struggles over the past four years that the class had survived. The key was, Gadino said, "Never Be Silent." After moments of laughter, boisterous cheers and even amidst a few tears, graduation came to a close and

the Elizabethtown College Class of '99 was officially graduated.

The afternoon and evening were filled with reminiscing with family and friends and sharing one last time together here at Elizabethtown as the Centennial Class of 1999.

Connie A. Morella, US Congressional Representative for Maryland and co-chair of the Congressional Caucus for Women's Issues, shares her thoughts on graduation and passes on a few words of wisdom to these graduates.

These seniors share one of their last times together outside the BSC before graduation Saturday morning. Seniors will always remember this as a place to meet friends between classes or catch an afternoon ray of sunshine.

Graduates excitedly look for family and friends after processing in at their commencement ceremony. This was a time of mixed emotion for many seniors.

Faculty and students provided music for the commencement ceremony. Many thanks for all of their hard work and preparation to make this a special day for the Class of 1999.

Brian,
Seems like only yesterday-
You have made us so very,
very proud!!
Wishing you much love
and happiness
in all you do--
We love you very, very
much,
Mom & Dad

Jaclyn Jo Langowski

Congratulations! We are so proud of you and all
you have accomplished.

You have been and will always be a sweet, caring
and loving young lady and we are very proud to
have you as our daughter.

We Love You,
Mom and Dad

Karen Ann Cashin

Congratulations.

We are so proud of the kind and loving person that you are, and all you have already accomplished.

Wishing you success, happiness and God's Blessing always.

Love,

Mom, Dad, Andrea, Patrick and Sara.

David,

With great pride your family is honored on the occasion of your graduation. Our love and support is with you always as you continue to succeed in life. You are a blessing to all of us.

Mom, Dad, Kevin, and Rachel

Beth Ann Szymoniak

You left the nest four years ago
With determination and a radiant glow

You've tackled the challenges
That have come your way
And you'll recup the benefits
on graduation day

Words can't express, but they have to do
Just how proud we are of you.

Love: Dad, Mom, Bob, Judy, Scott,
Andrew & Christopher

Doug Landis,

Congratulations to you!

With joy and pride we share this moment of accomplishment with you.

Our prayers go with you as you continue on in life.

We love you,

Dad, Mother & Katie

Julie Rene Devilbiss

You have many accomplishments to be proud of, and the ability to succeed in whatever your future holds for you. You have always been-and will always be our little angel. We are truly blessed and very proud to have a special daughter like you. You are one of the finer things in our life- we love you!
Mom and Dad

Kyla Marie Plumb

You've come a long way since you were born,
and yet have far to go.

The world will be a better place
because of you we know.

We wish you health and happiness,
a future that cannot lose,
a life of joy, a world of love,
in whatever path you choose.

All Our Love,
Mom & Dad

Laura Ann Ayars

Laura, You are an inspiration to everyone you come in contact with. You put such passion and determination into every endeavor you undertake. The courage and preserverance that you display continuously has led you to succeed. You made it and I couldn't be more proud of you. Keep reaching. The stars are yours for the taking. You are a very special person. You are my best friend. Thanks for sharing so much of your life with me.

Love, Mom

**Congratulations
Blythe!**
We are so proud
of you.
Love always,
Mom, Dad and
Brent

Tanya Ann Beeker

All our love to you as you continue toward your future. We are so proud of all you have achieved! Your dedication and hard work astounds us! As parents our fondest wish is for your child to achieve more than you and have a better chance at life. You certainly have made our wishes come true.

Lots of Love,

Mom & Dad

P.S. Go get them blonde! Love, Mike

Congratulations

Mark Powell

We're proud of all you have accomplished
We wish you a lifetime of health, happiness, and
success!

Love, Mom and Dad

**Heather Klein.... Daughter, Sister,

Can it be? Seems
Only yesterday as
New parents we
Gazed upon a child.
Reality is you've grown
And matured into
The woman we adore,
Unpretentious,
Loving,
And
Thoughtful.

It goes without saying, you are
Our pride and joy.
No mistaking our sincere wish for your continued
Success & Happiness!

All our love, Mom, Dad & Don

Nathan,
You have made us very
proud to be your par-
ents. We wish you a
happy and successful
future. Walk always
with the Lord. He will
never fail you.

Love you,
Mom & Dad

Colinsky,
Set your goals, make
your accomplishments,
and the World is
yours. We are so
proud of you, and
share your joy, today
and always.

Bethann,
Seems like only yesterday that
you started college and now
you are graduating. You have
given us so many wonderful
memories to hold onto. We are
very proud of all your accom-
plishments and know you
have a great future ahead of
you.

Love,
Mom & Dad

"To teach is to touch a
Life Forever."

Annie,
Our "Baby Girl" has grown into a beautiful young woman. We have loved you from the day you were born but you have earned our respect and admiration. The strength, determination and perseverance you have shown are exemplary. Your love of life is overwhelming. We are so proud to be your parents. Thank you for the joy you have brought to our lives. You are our shining star.

Love,
Mom & Dad

Annie,
All your life you have had a hand in everything that was going on around you, that's difficult for most, but not "MY SISTER." It stayed true for a very special moment in my life. A shopping trip that I'll always hold dear to my heart. I am so proud of you and all your accomplishments, but most of all to be able to call you my sister.

Love,
Nick

Annie,
Your accomplishments astound me. You will succeed in whatever Path you choose to follow. I'm not only proud of you, I'm blessed to know you.

Love,
Deb

P.S. SISTERS IN A WEEK!!

Annie,

As you grew up I could only stand in front to protect, later in life we would stand beside each other as friends. Now, as your dreams become reality, I can only stand behind you as proud as a brother can be. May all your dreams come true.

Love always,
Josh

Residence Life

Take the time to relax and go over weekend plans is what students love to do best.

"Study or not to study?"

Dorm life has surely changed in the past decades. For instance, if you look under your desk, how many cords do you have? Today, the dorm rooms are so technologically advanced that you don't even have to leave your room. There are Internet hookups in every room that allow you to check e-mail, search the web, access the High Library and even check class openings during registration. Things weren't always this way. Carroll Kreider, Professor of Business recalls when she attended Elizabethtown. "I lived in Alpha Hall in the room that is now the entrance door to Human Resources. The rooms were very small and very warm, but you had a great view because of the high tall windows. Back then, you could be charged for using excess wattage."

-Kristy Hauer.

Students know that chugging the coffee is way important around finals time.

The comfy chairs in Royer basement lounge are great to catch up on work.

Just chillin' in the rooms of Ober seems to bring out the sports fan in all.

What do you think will change in 100 years?

1. May have gone to a co-ed living situation.
2. May finally lose the 1970s orange/yellow/green paint.
3. The original carpet will still be there.
4. It will contain a tunnel and subway and transit sytem.

Founders-"When I came to Elizabethtown College for the first time for a campus tour, Founders was labeled as the "new" dorm. I lived on B-2 my freshmen year, C-3 for my sophomore and junior year and B-1 my senior year. The major difference between Founders when I lived there and now is the layout of the male and

female rooms. Genders were not mixed within the buildings. Women were housed in B & C wings and men lived in A & D," commented Karen Bentzel.

What do you think will change in 100 years?

1. The fireplace in the main lounge still won't be lit.
2. Apartments will have replaced the floor suites.
3. The whole building will be air-conditioned.

Ober—During 1958, my freshmen year at Elizabethton College, I satayed in Center Hall and then South Hall the next year. These were old Army buildings that were located approximately where the Jay's Nest is now. These halls were torn down many years ago. My junior year, I moved into the new Ober Hall

wind A-2 and upstairs to A-3 my senior year. It amazes me how little Ober has changed in the past 38 years. As the RA on A-3 my senior year, the floor had a bad reputation and I had my hands full. That year, the Ober guys gained statewide publicity involving the Elizabethton fire company," revealed Ronald Shubert.

Myer "I lived in Myer for three years before moving off campus during my senior year. It was surely convenient to live in the same building as the cafe—especially when the weather was bad. Probably the biggest change since I lived there is the addition of technology—namely telephone hookups in every room and network

access to the internet. You can imagine the challenges of sharing one phone with 25-30 other women. I would often go to the BSC and use the pay phone there if I wanted to call someone," said Debbie Waltermire.

SATURDAY'S SPECIAL

The Saturday's Special House has five new faces filled with enthusiasm. Saturday's Special involves the Elizabethtown community children in grades K-3. Each Saturday program focuses around a theme, for example, "Science Fun" or "Let it Snow." The activities provide an opportunity for the children to grow both socially and educationally with an emphasis on hands-on-learning and fun. Our motto is "Nurturing seeds into the flowers of tomorrow."

Members Special in-Ferguson, Kelly Zak,

of Saturday's clude Barbara Angela Ladner, Rombach, Stacie and Kelly Concannon.

Lasting Impacts by Giving to the Hungry Today-The LIGHT house SDLC is committed to increasing the awareness of the college and Elizabethtown communities about local and world hunger issues. By organizing food drives, food baskets, and visiting soup kitchens, we serve the Elizabethtown community. LIGHT exercises global awareness by participating in the National 30 Hour Famine, a program that educates one by experiencing what it means to be hungry first hand. It also raises money for world hunger. Through these programs, LIGHT hopes to make a lasting impact. The members of L.I.G.H.T. House include Susie Beiler, Angela Moyer, Jennifer Olmstead, and Annick Scillia.

Helping Hands

Helping Hands is a program run by seniors Beth Murphy and Jill Hagenbuch and sophomores Laurie Price and Angie Vespa. Helping Hands benefits the mentally handicapped of the community in two different ways. First, we are involved in the Best Buddies, which is a national non-profit organization that matches college students in a one-on-one relationship with a

mentally handicapped citizen in the community. This little act of friendship can mean a lot to the citizen and to the college student as well. Helping Hands also works with Special Olympics, helping them out with practices and tournaments as time permits.

The Harmony House SDLC brings music to the Elizabethtown community, both on and off campus. Programs off-campus traditionally include sing alongs at Manor Care Health Care Services (in conjunction with the SHARE house) and the Masonic Homes. The Children's Home of York, Margaret Mull House, and the Lancaster AIDS Project are also places where guitars and other instruments bring harmony to the surrounding area. On-campus programs include stress relief through jam sessions, residence hall relaxation sessions to music, and educational programs about music therapy. Wherever they go, these four girls aim to enhance people's lives with music and educate others about music therapy. Members include Kimberly Fallstich, Christy Hansen, Elizabeth Heetman, and Jennifer Lee.

K.I.C.

Kids in the Community-Kids in the Community strives to promote campus relations with local children. KIC strengthens the cohesion between Elizabethtown students and area kids through such programs as the GINGER Groff Memorial Run/Walk and Children's Fun Run, clothing drives for the Bethesda Mission, a

charity pancake breakfast, and an innovative elementary school pen pal program. Members of K.I.C. include Jess Smith, Ashleigh Harclerode, Gretchen Schmidt, and Amy Shellhammer.

Ohm Sweet Ohm

Ohn Sweet Ohm is an SDLC dedicated to

fostering the knowledge and use of current computer technologies for Elizabethtown College and the surrounding community. The members of Ohm Sweet Ohm provide both technical support and student/faculty workshops covering a variety of topics, including computer applications, networking, and World Wide Web page design. Members include Daniel Hicks, Chris Ghiorzi, Jason Gardner, and Mark Powell.

T.I.E.

Teens in Elizabethtown- This dynamic group is committed to helping the local teens in various community related activities and providing help for those in need. The members include John Graf, Scott Winter, Ryan Unger, Keith Pfeil, Justin Fisher, Aron Groff, and Brad Small.

Students Helping to Advance Relations with the Elderly-The SDLC SHARE works with the elderly at Manor Care Health Services of Elizabethtown. SHARE provides monthly programs for the elderly residents to provide them with entertainment and friendship. Programs are organized around a theme, usually in connection with the season or holiday. Some popular programs include: games, crafts, and bingo. Other programs that we coordinated include: "Back to School," "Spelling Bee," "Autumn Social," "Olympic Games," "Makeover Day," and "Spring Dance." Members include Ann Hunyh, Mandy Moyer, Sara Rice, and Jessica Singley.

Faculty and Staff

These students are hard at work on a project given by a very demanding professor.

*"Will that be 8:00
a.m. or 1:30 p.m.?"*

The faculty and staff of Elizabethtown College make it their personal mission to serve the Elizabethtown students each and every day. Professors are available at any time for students, many offering students the chance to call them at their home. E-mail has made it much easier to correspond with professors, administrators and staff at any hour of the day. E-town students are privileged to have the opportunity to be educated by such an outstanding group of people.

Sports

Concentration and determination allow Rachel Chieppa to place the ball in the net.

"Go Blue Jays!!"

From the court to the field, every time Elizabethtown students step onto their playing ground, they are on a mission to compete in the Elizabethtown tradition of excellence. Every sport, intramural and club team deserve to be congratulated for a job well done this year. Elizabethtown is proud of their teams and the goals and accomplishments all have reached this year.

Defense steps up to take on Moravian's offense.

Anne Carlino takes control of the ball.

With an open man down field, Sam Altdoerffer prepares to pass the ball.

Cross Country

Taking it to the Next Level

Elizabethtown's cross country team, the harriers, made this season one worth remembering. Both the men and women's teams gave some powerful performances throughout the season, thanks to a lot of hard work, sweat and the coaching techniques of new Head Coach, Chris Straub. The team faced injuries and stiff competition, but they were unwavering and determined.

On the women's team, senior Jennifer Olmstead worked hard to make the most of her final cross country season. She shined at the MAC's, finishing eighth and winning the title of an all-conference runner. Also, juniors Gretchen Junko, Allison Felty, and Lori Van Order had great showings throughout the season. The team can look forward to continued success with the talent of its younger runners as well. To end their noteworthy season, the women

placed an impressive sixth at the MAC Championships and then 18th at the NCAA Regionals.

The men's season was also one of great improvement. Freshman Colin Foran had a remarkable first season with the harriers, and veterans, such as juniors Steve Borst, Jon O'Donnell, and Chris Gabriel gave faithful performances. Junior Larry Bullock and Sophomore Jeff Harmon also had stand-out performances that helped boost the men's record. At the MAC's, the men earned a spectacular fourth, and they placed 24th at the NCAA Regionals.

The cross country team worked to hone their running techniques and skills, and it paid off in a big way. They earned an outstanding record and had an amazing season. -Mandy Buckley

FIELD HOCKEY

Blue Jays Record 400th Win

Under the leadership of Coach Yvonne Kauffman, who returned this year for her 31st year, and senior co-captains Denise Heller and Lynmarie Schroeder, this year's field hockey team had great season.

This year Etown field hockey was counting on the depth of the team to provide some excitement on the field. Many young players on the team stepped up to play big roles in both the teams offense and defense. The teams mission was to improve upon past years' performances, and improve they did.

With a victory over Franklin and Marshall, the 1998 field hockey team recorded its 400th win, of

which 316 belong to coach Yvonne Kauffman. The team struggled in the beginning with tough matches against Shippensburg, Swathmore and other big name MAC schools. However, the team pulled together and gave a total team effort to record this momentous win. With their fight against rival Messiah, this team proved they could compete with anyone.

With an exciting win over Villa Julie and a stellar performance by senior Denise Heller, the team reached the .500 mark. The Blue Jays ended the season with a winning record and look forward to the bright 1999 season ahead.

Forming a defensive front, the Jays protect their goal from the oncoming offense.

Men's Soccer

Tough End to an Outstanding Season

The 1998 Men's soccer team began the season seeking stability and a solid start. They began with a win over F & M, allowing them to retain the coveted Smith-Herr Bronze Boot.

The booters chased after the elusive 600th win for a few games, but reached the record and will be another Blue Jay team to be entered into the record books. The Jays then went on a 9 game winning streak after having a rather rocky start to the season. A key game for the Jays was an overtime win over Muhlenberg, which boosted the confidence of the whole team. This streak came to a tough end with an overtime loss to the College of New Jersey.

However, the teams' spirits were

not dampened and they came back to beat the nationally ranked team from Dickinson and won 11 of 12 games to guarantee themselves a berth into the MAC playoffs. Then came the infamous game against Messiah. As always, it was an exciting game filled with the 'sticky' fan rivalry between these two squads. The Falcons came out on top and the Jays knew they would have a long MAC playoff road ahead.

The Jays season came to an early end with an overtime loss to Drew in the first round of the MAC playoffs. With records of 13-2 in their region and 6-1 in the MAC's, this team made Etown proud and will look to succeed again next year.

Women's Soccer

A Repeat Season for the MAC Champions

The 1998 Women's Blue Jay soccer team would be defending the conference and an MAC Championship MAC Commonwealth Title this season. Under head coach Barry Dohner, the booters began the season with a strong win over Dickinson. This year's team would be under the guidance of senior co-captains Becky Nocito and Tanis Neamand and would face one of the toughest schedules in Division III, meeting six nationally ranked opponents.

Wins against Randolph-Macon and Franklin and Marshall proved to be boosters for the team. In the teams first MAC conference game against Susquehanna, the team pulled off a big win and provided a stellar performance. The team would end the

season 6-0-1 overall in the MAC conference and an MAC Championship to boast a second straight year in a row. They also gained a consecutive invitation to the NCAA tournament.

The road to the Final Four began with a match against Johns Hopkins in the first round. The Jays would dominate the game and go away with a 3-1 win and a second round matchup against the College of New Jersey. Entering the rematch between these two teams, the College of NJ was ranked fifth in the nation and had beaten the Jays 3-0 in the regular season. The Lions proved to be too strong for our Blue and Grey and ended the Jays bid for a Final Four berth.

Women's Tennis

A Positive Attitude Goes A Long Way

The women's tennis team this year had high hopes going into the tennis season. Despite their hard work and determination, the Netters had a disappointing 1-11 record. However, they did not throw down their rackets in dismay. They persevered through the season, remaining positive and upbeat.

Seniors Denise Costenbader (captain) and Jessica Orlosky, playing in their final season of tennis, both had the opportunity to go to the MAC Championship. Costenbader and sopho-

more Jen Smith played in doubles competition and hung in until quarterfinals. Orlosky and junior Heidi Habegger also represented Elizabethtown in the MAC's doubles play. Also, sophomore Laurie Price also had an impressive season, while freshman Melissa Muller represented the Blue Jays in singles competition at the MAC's as well.

Overall, the team may not have come out with a winning record, but they had fun. This is what they will remember long after the individual match scores have been forgotten.

Volleyball

Rebuilding Season for Jays

For this year's Blue Jay volleyball team, the 1998 season looked to be a rebuilding one, with seven freshman entering the lineup. Senior captain Kristen Maguire led the team under the guidance of coach Bill Helm. This team was looking to play together as one complete team.

The team's first win came against Lebanon Valley and was a turn around for the team. Sophomore Gab Clarke and freshman Sarah Klunk stepped up their game as did other underclassman. Maguire said the team played well together, even if the record didn't show it. The Jays were looking

towards the MAC invitational, but their playoff hopes slipped away as the team won over Goldey Beacom College but then lost to Moravian.

A shining star on this team was senior Kristen Maguire. Against Widener, Maguire set a program record with 65 assists in a Blue Jay victory. Maguire ends her career at E-town 2nd among E-town's all-time assist leaders. Next year's team will miss her, but will have experience on their side. The 1999 season looks brighter for this Blue Jay team as the underclassman gain a year of experience and hope to be a powerhouse to be reckoned with next year.

Men's Basketball

Jay's Shock Their Critics

Entering the 1998-1999 season, the Elizabethtown Blue Jay men's basketball team was not expected to be a powerhouse to be reckon with. However, under the strong leadership of senior co-captains Adam Weber and A.J. Beamer, this team proved all of the critics wrong.

The team rose to 11-3 overall and 7-1 in MAC Commonwealth and proved to be on top of their game. A key to the success of the team was free throw shooting. This element of the game is often overlooked but has been a proven skill that has benefitted this team time and time again.

With a regular season ending win over Moravian, the Jay's secured a home playoff game in the first round of the MAC's. The Jay's hosted and defeated FDU-Madison by a score of 80-60. With many starting players on the bench due to foul trouble, the Jay's bench stepped up their game to pull the team through. Next up was a semifinal match-up against Wilkes. This game did not prove to be as fruitful as the first and the Jay's suffered a season ending 69-56 loss.

Overall this Blue Jay team shocked the rest of the MAC with their solid play and finished a respectable 16-10 on the season.

Women's Basketball

A Sweet Season for the Lady Jay's

The 1999 Women's Blue Jay Basketball Team began this season looking for an MAC Championship and a national tournament selection berth. That is just what they got.

During the season many records were broken. Kim Boback became the 18th player in program history with 1,000 career points. Shauntae Stancil was the next Blue Jay to reach 1,000 points just one day later. Then, in Thompson Gymnasium against Western Maryland, the Jay's earned their 800th victory in program history. They were the first team in NCAA history to reach this plateau. Of these 800 wins, 523 belong to coach Yvonne Kauffman. This win also improved the squads record to 19-2 for the season.

In the Middle Atlantic Conference Playoffs, the Blue Jay's romped Delaware Valley 86-66 with senior Kim Boback posting a double-double. Next came King's, which proved to be another easy win for the Jay's 76-66. Senior Allison Lucey used a 4 assist contribution to enter the Jay's 500 assist club.

The game the team had been waiting for was finally here, a re-match against Scranton. The team did not fair as well but still received an invitation to the NCAA tournament. The team made it to the Sweet 16 where they were halted by New York University. The Jay's wrapped up the season 25-4, the programs highest win total since 1989, their last sweet 16 appearance.

Swimming

Another Championship Season for Women

Both the Men's and Women's Blue Jay swimming teams were led by strong leadership this season. The men were led by junior Brian Polaski and Senior Brian Serapiglia. Hard work and dedication were the key to the men's strong start. The team found themselves seventh in the MAC's, with only one gold medal brought back to E-Town. That was earned by freshman phenom Paul Contino. The team is only losing senior Brian Serapiglia and is looking forward to next season. This team will be a force to be reckon with in the MAC's.

The women's swim team was led by 3 time All American Jackie Zimmerman and MAC Champ Kathy Weldin. After a rocky start

losing 2 of their first 3, the team silenced all of their critics by winning the next 14 matches. The team ended 15-2 for the season and won the MAC Championship. This was the team's second straight triumph; only the fourth in program history to win back to back championship.

The Jays swept all 5 relay events and end the season with a perfect record; not one single loss in any relay event. Many women swimmers came back with multiple golds. Sophomore Lindsay Texter and Senior Jackie Zimmerman each finished with 6 golds, while freshman Heidi Yoder and sophomore Brooke Knepper finished with 5 apiece.

Great job to both swimming teams for a great season!

Wrestling

The 1999 Blue Jay wrestling squad expected great things this year. With all 4 of last years representatives at the NCAA Division III National Tournament returning, this team has the skill and power to do great things. The team began the season with a second place showing at the Messiah tournament. A sudden loss to Delaware Valley disappointed the team, but did not discourage them. The next time out, the team finished in first place in the 1999 Virginia Small College Duals. Sophomore Bill Van Winkle, Jason Aurand, Josh Boyer and Dan Bechtold all dominated the field and proved to

Match This

be a strong base for the team. Even though the team pulled out strong finishes in these tournaments, the emotions could not carry over to lift them over tough MAC opponents in the big matches. The team finished fourth in the MAC Championships. Sophomore Ryan Sellars was the only Blue Jay to advance to championship finals. He fell in a close 3-1 decision and finished second in the tourney. This years squad was talented, but was plagued with injury and holes in the line-up. The Jays look forward to a strong next season, losing only Rick Buchwald and Mike King. Come October, this team should be ready to rock n' roll.

Baseball

A Strong Season for the Jays

The Blue Jay batters started off their season on the right foot with 10 games played in Florida's Cocoa Expo and eight wins under their belt. With this strong beginning, many knew the Blue Jays had a legitimate shot at the MAC title for the second time in three years. Mid-season at 16-7, the Jays lost three games in a row, but they regrouped quickly, knowing that winning would be the only way to get them to their goal. To regain their winning streak, the team trounced upon the Albright Lions 16-1. This outstanding win was due to team members Chris Romig going 4-for-4 with two doubles, a homerun and five

RBI's. His two-run dinger in the fifth inning highlighted a five run outburst by the Jays.

After contesting 6 games in 5 days, due to weather postponements, the Jays stood at 24-8 overall and 11-1 in the MAC.

The Jay's took on and defeated FDU-Madison and Drew to earn themselves a spot in the MAC Championship game. The batters lost the game to Widener and ended a terrific season as the runner-up in the MAC's. The Jay's ended the season 27-11 overall and an astounding 12-2 in the Commonwealth League.

Well Deserved Ending for Blue Jays

The 1999 Golf Team returned all of its players from its 1998 season. With all of this experience, the team looked forward to great things for the 99 season. In the MAC Pre-Season Coaches Poll, the team was ranked fifth, tied with Scanton. The team experiences a tough opening to the season in the Susquehanna Tournament opener. However, the team then turned it up a notch and had strong showings in a quad match at Lebanon Valley and in their own Blue Jay Classic, which they placed eighth out of twenty teams.

More problems were experienced at

the second Susquehanna Tournament. Team members felt the problem was a lack of consistency. A sixth place finish at F & M left the Jays 46 shots behind the winner, Wesley.

Even though the team had a rough season, no one gave up when it came MAC time. They jumped from 11th to 6th in just 27 holes and finished the MAC's in a respectable 6th place. This strong showing erased some of the bad memories from the season and left the team feeling good about their accomplishments.

Softball

Hard Work Gives Jays Strong Season

The Elizabethtown College Softball team experienced a rollercoaster ride last season. They started off 1-8 but battled back all season. While this years squad did not start out poorly, they have been on somewhat of a jolting ride. However, the Lady Jays never lost sight of turning things around and getting back in the playoff hunt.

And the Jays did just that - turned around. At an away game against Juniata, each team went scoreless until the Jays rallied for two runs in the top half of the fifth inning when sophomore Kelly Spence drove home sophomore starting pitcher Kristy Nowell. This was all the

insurance Etown needed to have the 2-0 victory.

With strong wins behind them, the Lady Jays continued on the hunt to be in the MAC playoffs. Despite a setback by Western Maryland, the Blue Jays ramblled off seven consecutive wins in a two week time frame to re-emerge as a legitimate MAC playoff contender. The Jays needed to win both games of a doubleheader against Susquehanna to get into the playoffs. In the afternoon game, Susquehanna added an extra run in the top of the extra inning to steal the win from the Jays. In the night cap, the Jay's held off the Crusaders to split the doubleheader. Etown finished 16-19-1 on the year, including a 3rd place finish in the MAC Commonwealth League.

Men's Tennis

Early End to Storybook Season

After returning from the Spring Break road trip to Hilton Head, the men's tennis team started their season off a little shaky. Despite the loss with King's College, 7-2, after their visit south, the netters quickly regrouped and made some noise again this year within the MAC.

Although Mother Nature postponed and rescheduled games for the Blue Jays, they still strove to meet their goal — to win the MAC title. The men's tennis team proved how serious it was about clenching the title by playing two weekends of undefeated league play. Their league record remained unblemished at 3-0 while their overall record

climbed to 5-3. With wins over Wilkes and Dickinson, their record moved to 7-3 on the season. With Playoff hopes in sight, the men fell to Albright on Centennial weekend. This storybook season would come to a close for the Jays if they could not clinch the final playoff spot by holding off their opponent when they traveled to Annville. Lebanon Valley proved to be too strong for the Jay's as they came out on top 7-2. The Jay's season was ended, but not without a fight and a strong effort by the whole team.

A jump shot saved this point for Justin Fisher.

Take On A Mission

Behind the scenes is what
ECTV is all about.

The Activities Planning Board sponsored events like "Battle of the Air" bands on TGIS weekend.

Mission Impossible: Be in every activity on campus so that you will be the most recognized person. Be a leader in all of these activities and have the best outlook for your organization and club.

This mission may sound like too much to handle. Well, to the students who dedicate long hours to their organization it does not seem like a long shot. Getting involved and giving back to others and the community is what the students find themselves wrapped up in on any given weeknight.

With the array of activities and clubs ranging from history club to ice hockey club there is never a dull moment.

Jen Wilson spends some quality time at the Manor Care Nursing home as a volunteer project through Circle K.

Tye-dye T's were the way to go for those who went to TGIS weekend.

The process of picking out your favorite color...Hmm...what one should be next!! The students were able to pick out their colors and create their own tye-dye creations on TGIS

As a blunt talking reformer in Moscow in the 1980's, Boris Yeltsin rapidly set about renovating the corrupt political scene. In 1991, he was elected president of the Russian Federation, a position he continued to hold after the break-up of the Soviet Union. He remains in power despite persistent reports of failing health and growing opposition.

Mark McGwire and Sammy Sosa, two power-hitters in the game of baseball were in a battle of home runs during the summer. When the dust settled at the end of the season, McGwire, a 34-year-old right-handed hitter from the St. Louis Cardinals, won the home run record with 70. Sosa, a 30-year-old right-handed hitter from the Chicago Cubs, hit 66 home runs.

House Judiciary committee Chairman Henry Hyde, a Republican from Illinois, led the House of Representatives in the impeachment of President Clinton. A trial to impeach the President was conducted but not before a vote of 43-57 rejected a motion to dismiss the case against the President.

Believe in a Mission

Year in Review

As the 1998-1999 school year comes to a close, we look back at the highlights and tragedies that this year has brought us. We witnessed the ending of three amazing careers in three different sports, Wayne Gretzky, Micheal Jordan, and most recently John Elway. All the while, the millenia computer craze has reaked havoc on parts of our society; Y2K even has "Dilbert" worried!

Recent tragedies have also been a part of this past year causing many of us to question just what will happen next. President Clinton's Impeachment trial rocked our nation's sense of stability. The Kosovo Crisis called our soldiers away from family and friends into a far away land. School shootings such as the Columbine tragedy opened the eyes of school administration around the world to the possible threats students face in a place that was once assumed to be safe.

With records set by Mark McGwire in baseball and the boom of the the music industry, all was not a tragedy this year. There were great moments and times of coming together that made one believe in this country and the mission which must be carried out for the generations to come. With hits by Shania Twain and George Strait on the country music scene and the music that fills the air from The Backstreet Boys, all has not been lost. Let us remember the mission we have set for ourselves and learn to live up to those we admire.

Overall, it was an eventful and exciting year. As it comes to a close let us reflect on our missions in the past and the missions we must set for ourselves in the future. Best of luck to everyone as we enter the new century.-

Missy Hockensmith, Maria Musso, and Jennifer Lee

The Backstreet Boys got together about five years ago when Howie, Nick, and AJ met at auditions. The group was named after a big market in Orlando, FL. They won the Viewers Select Award at the MTV Europe awards two years in a row.

Hurricane Georges was the costliest disaster in the 117 years of the Red Cross relief efforts, topping the \$81.5 million the agency spent on Hurricane Andrew. Georges costs rank behind Hugo in 1989 and the No. 1 hurricane for damage, 1992's Andrew.

Pope John Paul II began his 21st year as Pope in the fall of 1998. Noted for his energy and analytical ability, he traveled to many countries, preaching to huge audiences.

President Bill Clinton became embroiled in a White House scandal that led to Congressional hearings on possible impeachment. He was accused of having an 18-month sexual relationship with Monica Lewinsky, who was then a 21-year old White House intern. President Clinton eventually admitted to inappropriate behavior, but Congress pushed forward to bring the President to an impeachment trial in the Senate.

As students were preparing to return to school in September, the stock market's Dow Jones Industrial Average was taking a dive. Down 512 points—or 6 percent—in one day. It was not a pretty picture on Wall Street. Investors saw the stock market make tremendous gains earlier in the year.

George Strait became the most-nominated performer in Country Music Association history by getting five nominations, including one as Entertainer of the Year. Strait has won 10 CMA awards, including best male vocalist and album for the past two years. He was named best entertainer in 1989 and 1990.

Representative Bob Livingston, a Republican from Louisiana, made a surprise decision to leave Congress just weeks before he was to become Speaker of the House of Representatives. In the wake of the Presidential scandal, he stunned his colleagues when he announced during the debate to impeach President Clinton that he had extramarital affairs that nearly destroyed his own 33-year marriage.

Terrorist bombs exploded at the American embassies in Kenya and Tanzania in late summer. The Nairobi bomb took place almost simultaneously with the bombing in Dar es Salaam and killed 247 people. Another 5,500 people were injured. The Dar es Salaam explosion killed 11 people. A few arrests were made, but American government officials say the man responsible was Osama Bin Laden.

U.S. Senator John Glenn ended his long career in the Senate with a return to space. Astronaut Glenn, 77, who made a pioneering space flight in 1962, returned to space in November 1998, aboard the Discovery on a 10-day mission.

Quarterback John Elway led the Denver Broncos to a 34-19 win against the Atlanta Falcons in Super Bowl XXXIII at Pro Player Stadium in Miami. The Broncos scored 17 points in the game's first half and then 17 more in the fourth quarter alone. Elway has just recently announced his retirement.

Mission Accomplished

The spring of 1999 closes out yet another year at the college, but we close out the century as well. We were all *Cent on a Mission* this past year. Looking back, all students had their own mission to accomplish. The Lady Blue Jays basketball team was the first women's NCAA team to win 800 plus games. The students and faculty of Elizabethtown College are constantly living out their mission in a number of ways. Students have to set and reach academic goals throughout the school year. Each person strives to find a sense of identity and gradually become independent. The faculty's main mission is to impact students and guide them throughout their endeavors. While on our mission, there are often many obstacles to overcome. Freshman struggle to adjust while seniors anticipate life after college. No matter what our mission, we will always remember those who were our friends, teammates, biggest supporters and family away from home. These bonds formed on the Elizabethtown campus will forever be strengthened as they have been throughout the past 100 years.
